

I have been a K-Love listener for several years now. The station is very important to my family and I. I have 3 teenagers who listen to the positive music that K-Love offers instead of the other music available to them. They are all big Christian music fans. In Utah K-Love is the only radio source we have for this music. As a Christian living in Utah, we need K-Love. We lived in Arizona where we listened to K-Love and what a joy it was to know we could still get our K-Love station in Utah. I think its important for Utah to have this alternative to the negative music that is so readily available on so many other stations. We need to have K-Love stay in Utah for the many Christians and others looking for music that is safe for the whole family to listen to. The DJ's are great and uplifting. K-Love is the only station we listen to in the car and in the home. I would like to see K-Love stay in Utah.
